# RING

**RING SPORT was founded in 1993. and in the following decades, RING SPORT became one of the largest and one of the first importers of home fitness equipment and home exercise machines**

**RING sports equipment is certainly the equipment with the best value for money in the region. It has been on the market for over 26 years, and have been sold in over 300 stores in 7 countries.**

**Since 2016 we have been working on the project of electric sscooters and e-bikes foldable. Design collaborates with graduate technologists and dispute at the same time. As a result, RING E-vehicles are increasingly used on the streets.**

**We are dedicated to achieving the highest quality standard, through careful attention to detail and design in production, while also allowing the price to be the most competitive on the market. All our E-vehicles have the necessary certificates, which are a guarantee of quality.**

**Our products are very well recognized globally and we are proud to be found in many multy brand stores and leading online shops in the region.**

## ACCESSORIES

**RX ES2**

### Hook for bag for electric scooter and bicycle

- Material: Made of high quality plastic. Durable and solid.
- Hook is compatible with RING RX1, RX2, Urban, Xiaomi Mijia M365 M187
- Hook can be used for hanging bags, bottles, baskets or helmets.

**RX ES4**

### Rear mirrors for electric scooter and bicycle

- Material: Mirror mount and back cover are made of high quality plastic, extremely solid, firm but also light, durable and practical.
- Glass is a flat mirror making the vision clearer and not deformed.
- Adjustable: Base can be full rotated (360 degrees) and can be adjusted in any direction

**RX H1 black**

### Helmet for electric scooter, bicycle or skateboard

- Material: Made of quality shaped material ABS.
- Inside of a helmet is lined with high quality EPS foam which ensure security.
- Comfortable: Classic helmet with 11 holes for cooling and comfort.
- Adjustable: Helmet is equipped with adjustable straps for better flexibility.
- Modern design, colour: mat black with white details.

**RX ES1**

### Bag for electric scooter and bicycle

- Can be used on: RING RX1, RX2, Urban, XiaoMi Mijia M365 / M365 Pro
- The scooter bag is made of practical and wear-resistant 600D nylon fabric. EVA inner polyester material makes it not easily out of mold and always restores shape, it is moisture resistant and durable. It is suitable for packing your scooter charger, mobile phone, safety lights, repair kits, first aid kit, notebooks, glasses and other important small things.

**RX ES3**

### Mobile phone holder for electric scooter and bicycle

- Mobile phone holder has 4 clamps so your phone will be firm and secured from every angle.
- Thicker than most silicone holders for bikes which can be easily broken. Durable.
- Impact resistance and universal strap handle.
- This holder can be used on bumpy roads as well as at high speeds.
- Suitable for all phones.

**RX ES5**

### Hand grip for children - for electric scooter

- Important protection for children: If you're having a ride with your child, original handlebar is too high and isn't suitable for children. This can be prevented with hand grip for children which is adjustable based on your child's height. That way child's protection during a ride is significantly improved.
- Comfortable: Hand grip is made of non-slip silicon material, very comfortable for holding, suitable for children's grip while driving.
- Easy to install: Hand grip can be easily installed as well as easily removed without damaging your electric scooter.
- Set of screws is included.
- Length: 22.5cm
